EYFS + KS1 Acceptable Use Policy

- I will use the school's IT equipment and tools (including iPads, laptops, computers etc.) for schoolwork and homework. If I need to use the school's computers for anything else, I will ask for permission first.
- I will only use the internet when an adult is with me/ in the room with me.
- I will not share my passwords with other people (except my parent/carers) and I will tell a teacher or parent/carer if I think someone else knows them.
- I will stay safe and will not tell anyone online about myself or my friends (this is my personal information: my name, home, family, pets or school address or school name).
- I will care for and respect other people including those online. I will only send messages online that are polite and friendly.
- I will never take or post photographs or video clips of people I know without permission. I will ask my teacher or parent before uploading photos or videos.
- If I find see something on a screen which upsets me or makes me feel worried, I will tell a trusted adult immediately.
- I will remember that not everything on the Internet is true.
- I will not bring a mobile phone or digital recording device (e.g. Smartwatch) to school.
- I will only use the Internet with people who I know.
- I will only click on links and buttons when I know what they do.
- I know that the school can see and checks what I am doing online.

I will do my best to follow these rules because I know they are there to keep me and my friends safe both now and in the future. If I do not follow these rules, I know my teacher may stop me using technology at school and talk to my parents/carers about I use technology.
